Publication of materials of a conference:

Conferees are given an opportunity to publish the works in the journals indexed by Scopus and Web of Science base. You watch templates for execution of articles on the website in appropriate section "Registration templates". For supply of materials send the completed questionnaire and the issued article to the address FIES@ortum-publish.ru

Requirements for the preparation and writing of articles:

- * the article should be drawn up strictly in accordance with the proposed template of your chosen publication;
- * articles should be written in good English (articles with errors and incorrect translation will be rejected), as well as be original and do not contain borrowings from other published materials;
- * the number of pages of the article should be from 5 – 8.
- * the article should contain sections such as Abstract, Introduction, Results and Discussion, Conclusion, etc.
- references should be formatted in accordance with the requirements of the publications (see template on conference website), 50% of the references should be publications that have been indexed by the databases WoS, Scopus, Russian science citation index, ScienceDirect, etc.;
- * use the international standard for units and quantities, use a period as the decimal point (e.g., 0.002);
- * in the list of references should be no more than 2 references to the work of the authors of the article, do not refer to the works of local conferences and hard-to-reach sources (local archives, student work, manuals,...)

Payment for publication:

For the publication of one article for citizens of the Russian Federation and citizens of the EAEU member States (RUB.)	full-time participation	correspondence participation
Journal " BIO Web of Conferences "(indexed by the Web of Science database)*	14 000	14 000

*information about the journal <https://www.bio-conferences.org/>
